

Our 2023 Pricing Sheet:

Simplicity is key when facing the daunting task of planning a wedding... There is enough to worry about on your wedding day!

With this two step process, you can choose to hire me to film the events of the day or to edit your special day or both! I feel that everyone should have their wedding filmed and making sure it is filmed is very important! When you are ready for Step Two, you can decide to create a video from one of our packages below (and you can even wait a year or three!)
